FOR IMMEDIATE RELEASE

DETOURS SCHEDULED ON HIGHWAY 113

SOLANO COUNTY – Traffic through State Route 113 should expect delays on Tuesday, September 8 and Wednesday, September 9 because of a detour around emergency maintenance work scheduled on the rural highway that connects Interstate 80 and State Route 12 through the city of Dixon.

The maintenance work will require day time closures of the two-lane highway near Hawkins Road, which is approximately four miles south of Dixon.

Culvert repair work will be done by Caltrans crews between 6 a.m. and 8 p.m on September 8 and September 9, respectively.

For northbound traffic on SR-113 detour around the construction site by:

- Turning right on Binghamton Road,
- Turning left on Pedrick Road,
- Turning left on Casey Road and then
- Turning right on Highway 113 to continue northbound

The detour for southbound 113 traffic is the same in reverse order.

Detour signage will also be in place to aid traffic through the area.

Motorists are advised to use caution when traveling through the area and please "Slow For The Cone Zone."

For more information please contact Ben Edokpayi at (510) 622 0120.
